Arthur Sarnow Candy Company was founded by Arthur Sarnow in 1935. Arthur was the first person to sell candy in theatres as he walked up and down the aisles of Brooklyn theatres. Still to this day, Arthur is known to be the first concessionaire in the theatre industry.

Over the past 79 years, Sarnow has moved operations several times. In June 2014, we once again moved into an improved and more modern facility. Our new facility is a 80,000 sq.ft state-of-the-art facility that houses the distribution center, sales offices, and corporate offices. This facility handles dry and frozen products.

Over the years, Sarnow has transformed itself from a candy supplier to a full line master distributor handling Candy, Snacks, Beverages, Paper Goods, Janitorial, Coffee, Etc. Our fleet of trucks, tractor trailers and vans supply Theatres, Vendors, Office Coffee Service, Parks, Stadiums, Prisons, and other Foodservice accounts.

Our customer service team is dedicated to providing you with a full line of the products you need and providing you with outstanding service. Should you require an item that we do not carry, tell us about it and we will be happy to bring it in for you.

WE HAVE MOVED INTO OUR NEW FACILITY LOCATED AT 175 CENTRAL AVENUE S. IN BETHPAGE, NY 11714
